DROP OF LIFE MID-AUTUMN FESTIVAL CHARITY EVENT, 2023.9.16

Hong Kong Chefs Association partnered with A Drop of Life at the Mid-Autumn Charity Goodie Bag Event for Elderly Folks.

Over 30 HKCA members and friends volunteered at the event. Together we packed 500 goodie bags and visited 100 elderlies. The goodie bags items have been thoughtfully donated by sponsors catering to the elderly's needs, bringing them warmth, comfort and sharing the festive happiness.

Through participating in this program, we believe all our volunteers learnt more about community services, and the importance of creating a respectful and caring environment for the elderlies and bring this harmony and positive energy back to their own home.
